## News

We are 3 blocks short to complete a friendship cane. The blocks are 2x2x3 and made of basswood. They reflect the unique personality of each carver. The cane will be auctioned off or taken to the guild meeting next year for display/sell. If you're interested in carving a block, contact [Clarence](#).

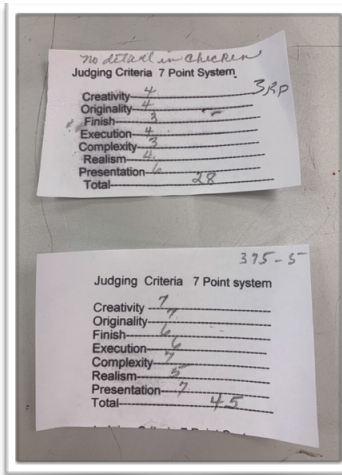

There was no raffle this month. We also are in need of blanks of the month. If you have an idea, share it with the group.

# Show and Tell

Dan brought in carvings that placed at the recent Guild meeting. He shared the judge's comment cards to show what they're looking for. He has also been working on a face study.

Clarence finished another set of pendants that carved and painted. He gives these to some of his friends at the Round Rock Library and doctor's offices.

Lu carved some spoons out of limbs that have fallen in his neighborhood. They are crate myrtle, oak and mystery wood.

**Next meeting will be Thursday,  
June 13, 2019, 7:00 PM,  
at the Hancock Center in Austin.**
